DISTILLERY

WHAT TO EXPECT WHEN YOU VISIT

SAFETY PRECAUTIONS

Including frequent cleaning and sanitizing of common areas and touchpoints, all of our employees will be required to wear facemasks. We also have plexiglass covering production areas where team members are present.

HEALTH SCREENINGS & MASK REQUIREMENT

All of our team members receive daily health screenings to ensure they are healthy enough to work. In addition, we will provide quick, touch-free temperature screenings for each guest and require face masks.

SANITIZING STATIONS

We have set up several hand sanitizing stations for guests to use inside and outside of our facility. Please be sure to sanitize upon entering! Spread the love — not germs.

CURBSIDE SALES & PICK-UP

We will continue to offer Online and Pick-Up Orders to help with social distancing.

SPECTACULAR CUSTOMER SERVICE

Although a lot has changed, our dedication to you and your experience remains the same. Our team is happy to answer any questions in advance to help make the most of your visit!

Help A. Smith Bowman Distillery **#StopTheSpread** by shopping and touring our facility safely. As always, thank you for your support and patience!
